**Description**

OVERSTOCK SALE. THIS UNIT IS ON CLEARANCE. NOT ELIGIBLE TO BE TRANSFERRED, OR TO BE COMBINED WITH ANY OTHER PROMOTIONS. PRICING IS GOOD FOR THIS IN STOCK UNIT ONLY.

THIS UNIT HAS MANY STANDARD FEATURES. UNDERBED FORMED FLOOR SUPPORT (WHERE TIRES DRIVE OVER), INTEGRATED KEYWAY IN SIDES, 10 GAUGE 2 PIECE SIDES AND FLOOR, DEXTER AXLES, STACKED 12# I-BEAM TONGUE AND FRAME (24# PER FOOT IN MOST CRITICAL AREA, UNIBODY FRAMES ARE ABOUT 10-13#), 6" TUBE BED FRAME, 3-WAY GATE, THICKENED REAR GATE (2.5" NOT 1.5 OR 2") WITH INTEGRATED STIFFNER, DELUXE TARP KIT WITH SAIL BAR.

Iron Bull DTB beast models are built to work. Every DTB sits atop of a dual layer of 6" I-beam weighing in at 12 pounds per foot main frame construction. That's 24 lbs/ft of pure steel putting maximum strength into the most critical part of your trailering system. These show-stopper trailers are built to haul. 9990-21,000 lbs of GVWR and are equipped with enough lifting power to ensure you can always get your job done. Now for 2020, each Iron Bull 83" wide dump comes equipped standard with an industry best one piece 7 gauge floor and 24" high 10 gauge sides with 7 machined breaks that will not bend, bow, or buckle even under the most demanding conditions. One of the most unique features on the Iron Bull DTB is the structure under the bed. Another instance of strength where it matters is our one of a kind ramp tracks. These full length bed runners ensure your floor is never warped across the cross members by any heavy tracked

equipment you might haul. We have also equipped 10K jacks and a side step for easy bed access. A three way gate will ensure maximum flexibility for transport and dumping. Top tier components come together with the most rugged construction on the market to deliver a dump trailer like no other. Dexter Nev-R-Adjust brake axles and radial tires provide a solid foundation for each Iron Bull dump trailer and ample grip for stopping power. Sherwin-Williams Powdercoat gives each trailer a rugged finish with a showroom shine. 5x16 hydraulic cylinders are nested into a scissor hoist and provide the muscle for each Iron Bull dump trailer with KTI remote operated hydraulic pumps feeding the beast. USA made, lifetime LEDs are provided by TecNiq lighting and all units are powered by an Interstate deep cycle battery. Each Iron Bull Trailer also comes equipped with a standard tarp kit, spare tire mount, jack stand brackets, stake pockets, locking pump box, 5 position adjustable coupler, and 5 amp 110v wall outlet charging receptacle for your battery. Our 83" wide 14k bumper pull is by far our most popular model. With 7k Dexter Axles and tons of standard features and options for any need, this model is a perfect fit for the contractor or weekend warrior. Back all of this up with our industry-best IronClad warranty which covers every unit with three year structural, two year component warranty and two years free roadside assistance (see below).
