Description

OVERSTOCK SALE. THIS UNIT IS ON CLEARANCE. NOT ELIGIBLE TO BE TRANSFERRED, OR TO BE COMBINED WITH ANY OTHER PROMOTIONS. PRICING IS GOOD FOR THIS IN STOCK UNIT ONLY.

HAS FULL WIDTH RAMP UPGRADE. RAMPS PROVIDE FULL WIDTH LOADING, AND CAN EITHER FOLD OVER FLAT FOR A FLAT 30' DECK, OR CAN STAND UP TO ALLOW FOR USE OF THE TRAILER.

Ironbull Goosenecks are some of the most rugged units in service today. Decades of experience in our new manufacturing company have combined to create one of the most thought out trailers available today. Ironbull deckover goosenecks are built to get you there and back again and again. Our deckover goosenecks provide an trailer for users that need a heavy-duty trailer, but do not need a full duty tandem dual trailer. 12" I-Beam makes up the main frame of these workhorses. 3" Channel cross members are standard on 16" centers and topped with 2" x 6" treated pine wood. A full width locking toolbox is also standard on the front of each gooseneck trailer with dual 12K jacks and embossed neck gussets. Two oversize 16" side steps adorn the front of each deck to ensure stable footing. All wiring is in a sealed harness to help shield it from the weather. Sherwin-Williams Powderdur Powder coat gives each trailer a rugged finish with a showroom shine. USA made, lifetime recessed LEDs are provided by TecNic lighting. Each Ironbull Trailer also comes equipped with stake pockets, pipe spools and rub rails as well as (4) 3" D-rings. All Ironbulls are sitting on Dexter Nev-R-Adjust brake axles and roll down the road on radial tires. All Ironbull trailers are covered by the impressive Ironclad 2-3-2 warranty program (2 years structural, 3 year comprehensive, 2 year roadside), see below.

Watch a video of the same trailer in a pintle here: <https://youtu.be/3Y1ffQL-z6U>
