**Description**

Unit has 8000# axle upgrade, tarp, ramps, 17.5" rubber, spare mount, spare tire, oil bath, rear support stands, and dual 12K jack upgrades. We like this unit for our HD Commercial users as it has optional 8000# axles (same as a dual tandem), the same hoist that goes on a dual tandem, a beefy I-beam frame, oil bath hubs, heavy duty 7 gauge floor, etc. This used is designed for a rugged user. UNIT IS CHARCOAL IN COLOR.
