Description

Trailer has upgraded 8K axles, 17.5" rubber, oak decking, toolbox, and more!

The Sure-Trac Tilt Bed Equipment Trailer is built to handle your most demanding work load. Featuring a gravity tilting deck, an operator can safely load heavy equipment without having to lift and move heavy ramps. The tilting bed is cushioned as it gently comes to rest using a hydraulic dampening cylinder, while the tapered entry gives you full access for loading equipment. Loaded with standard features, including an adjustable coupler, heavy-duty setback jack, and heavy-duty slipper spring suspension, this trailer is fit for duty.
