**Description**

This unit checks all the boxes with features not found on other dumps in this class - keyed side panels for strength, 12-ton telescopic hoist, dual batteries, 12"/19# I-beam frame (not 16#), Dexter HDSS Suspension (15000# per axle adjustable suspension, copy of the Hutch 9700 on big rigs), deluxe chain drive galvanized tarp kit, square bottom floor with HD tube ramps, rear ladder access and more.

From the manufacturer:

Built after the DSG "Frankendump," this monster delivers all of the lifting power with it's 3 stage 12 ton telescopic cylinder. With a newly designed dump floor that's squared you'll be able to load the biggest of equipment ever. Packed with some serious features, you'll be the talk of the job site.

- Standard Features:
- 2-10,000 Lb Premium Electric Brake Axles
  - 12" 19lb I-Beam Frame
  - 12" 19lb I-Beam Riser
