Description

EQUIPPED WITH OPTIONAL TOOLBOX.

Ideal trailer for a pair of UTV's! With the HD channel frame and crossmembers (not angle iron like most utilities), has rear slide in ramps, larger 12K jack, upgraded to 16" rubber (235/80/R16's rated to 14000#, not 225/75/R15 rated to 10400#), charcoal with black mod wheels, 2x2" pipe top rail, this bad boy id equipped to handle many applications, including a pair of larger UTV'S.
