**Description**

Equipped with pewter an charcoal (stock photos show same trailer in black & silver) 2 tone with optional white vinyl walls and +12" height making it an ideal UTV hauler. Aluminum wheels.

The NAMR is the Neo redesigned motorcycle trailer. It is most notably defined by its fresh new innovations such as: Deep v-nose for improved aerodynamics and added space, Pro Stabilizers for stability whether your vehicle is hooked to the trailer or not, L-track tie-downs for strength and convenience at any location and the ProEdge ramp door with NXP stainless latch. Did I mention these all come standard?
