Description

This is a beefy car trailer. 2 axle brakes, 2' dovetail, and rear slide in ramps. Tons of tie downs on this unit. Very versatile trailer! A very heavy duty car trailer (actually built as an equipment trailer). Has 16" O.C. floors (not 24"), structural channel (not angle crossmembers), removable fenders, Dexter axles, rear slide out over-width ramps, adjustable cast coupler, 7K drop leg jack, etc.

You can watch a video of this model trailer here: <https://youtu.be/vo5t8sYr24k>

Iron Bull Equipment Series Trailers

In the hunt for a great trailer that can tackle your toughest jobs but tow like a dream? Check out the all new EQ10 from Iron Bull. 10,000 lbs of Gross Vehicle Weight Rating ensure you have enough capacity for your heaviest loads and expert craftsmanship combined with top-tier components ensure you have an effortless tow. It's a great fit for work and play. Dexter Nev-R-Adjust brake axles and Provider radial tires provide a solid foundation for each Iron Bull equipment trailer and ample grip for stopping power. Sherwin-Williams Powderdurda Powder coat gives each trailer a rugged finish with a showroom shine. USA made, lifetime recessed LEDs are provided by TecNic lighting. Each Iron Bull Trailer also comes equipped with a stake pockets, pipe spools and rub rail, removable diamond plate fenders, and adjustable coupler. Our 83" wide 10k bumper pull is by far our most popular equipment hauler model. With two 5k Dexter Axles and tons of standard features, this model is a perfect fit for work or play. Add a host of options including dove tail, and flip up ramps to customize your build today.
