Price	\$13,995.00
-------	-------------

**Description**

The workhorse. Equipped with optional full width ramps. This model provides a beefier I-beam frame (12", 19# beam - most are 14#), under frame bridge, includes a torque tube (resists flex for longer units and units going off-road), has a spare tire, etc over our lighter models. Also includes charcoal powdercoat, dual jacks, full front toolbox, lots of tie downs - rubrail/stake pockets/D-rings, has a channel side rail (not flat or angle iron), and more.
