**Description**

UNIT EQUIPPED WITH 5200# AXLE UPGRADE.

This homeowner sized dump may lack size, but not punch. We stock this little brute 2 ways - in our "standard" and "deluxe". Even with all the standard features, we include undermount ramps, spare tire & mount, 12k jack, and a tarp kit on our DELUXE models. This unit is our deluxe model, but has a 5200# axle upgrade.
